Attn. Watermaster

Mackay, Idaho 83251

To Watermaster District 34:

This letter is to be on record that I believe my 1885 water right was cut off earlier than it should have been this year. This was because of interaction between storage water and a futile call. This is different than it has been done in the past and because of this action I was denied my senior water right.

Sincerely

Randy Pehrson
